

# Tutoriel : utilisation du tableur de Geogebra

The image shows a screenshot of the 'Tableur' (Spreadsheet) window in Geogebra. The window has a title bar with a close button. Below the title bar is a toolbar with icons for formula entry ( $f_x$ ), bold (G), italic (I), and other formatting options. The spreadsheet itself has three columns labeled A, B, and C, and rows numbered 1 to 29. The cell at row 29, column C is currently selected, indicated by a blue border.
